Hi Jim,

I was at your office last week, and stopped by to say hello, but both you and Amelia were out. Oh well, next time.

I have added the report date and author name to the City of North Las Vegas Final PCI Summary Inspection Report. The word document is attached to this email. Due to the report size, I will be sending the PDF of the final report in a subsequent email.

Please let me know if there is anything else you need from us.

Thanks,

Anthony D'Angelo

Hi Anthony,

Ken was signing the transmittal letter for the report and he noticed that the report cover page does not indicate the date of the report or the author's name. Can you revise the cover page to include this information. Thanks.

Kettie, I will add this same request into the comments on your reports.

Jim
